

Technical rider			
Artist	Majestoluxe		
Number of persons on stage	1		
Needed on stage	Two small but tall and stable tables/keyboard stands with table tops, at least 1x1 meters each. 2 Mic stands with boom arms.		
Mixer board channels	Instrument	Connection type	Comment
2 (stereo)	Synth & vox	2 balanced TRS 6,35 mm	This is the source of most of the sound: Backtracks + played instruments + treated vocals. Cables to be provided by venue.
1	Microphone	XLR	Main vox. Microphone and cable to be provided by venue.
Projector	As large and bright as possible. HDMI input cable must be accessible from the center of the stage (image controlled by instruments). If projector cannot be provided, that's OK - but artist needs to be informed about this at least 30 days in advance.		
Lights	Good lights. Let's discuss how to use them on site.		
<i>Thank you for making this sound and look great!</i>			
Hospitality rider			
A few bottles of nice beer. Preferrably local.
